

**REMARKS**

The present application has been allowed. The enclosed replacement sheet for Figure 2A-2E is submitted in response to the Notice of Drawing Inconsistency with Specification ("Notice") mailed July 28, 2006.

The Notice states that Figure 2E is listed in the Brief Description of the Drawings in the specification, but is not contained in the Drawings, whereas Figure 2F is contained in the Drawings but not listed in the Brief Description of the Drawings in the specification. The enclosed replacement sheet for Figure 2A-2E corrects the originally filed drawing containing Figure 2A, 2B, 2C, 2D and 2F by listing the figure labels as Figure 2A, 2B, 2C, 2D and 2E, as shown in the enclosed annotated drawing. This correction to the drawing removes any inconsistency between the figures and the identification of Figure 2E in the Brief Description of the Drawings in the specification.

It is respectfully submitted that the submitted replacement sheet is in compliance with 37 C.F.R. § 1.84.

No fee is believed due; however, should the Patent and Trademark Office determine otherwise, please charge the required fee to Jones Day Deposit Account No. 50-3013.

Respectfully submitted,

Date: August 24, 2006
